

Product Specification Sheet

Product: Yupo Octopus Blue

Category: Small Format Digital | Self Adhesive

Country of Origin: Japan

A white, 100% bubble free, repositionable suction film

Technical specifications:

About

- Bubble free
- Easy to supply & easy to remove from smooth surfaces
- No sticky residue
- Can be used multiple times
- PVC free

Digital Compatibility

- Certified for HP Indigo

Applications

- Point of sale
- Maps
- Labels
- Point of purchase
- Posters
- Signage
- Calendars

Please note

- Any white material left on the mounting object is easily wiped off with a damp towel
- Not suitable for sticking onto three dimensional objects.
- If dust or dirt gets on the suction surface, adhesive strength will weaken - can be fixed by washing lightly with water

Converting

- Whole die cutting: Cut from printed side, not suction side
- Half die cutting: Suits smaller sheets
- Thin release liner (50 microns) adjust the height of blade carefully
- Recommend to use a thin material as spacer
- Set the counter plate as flat as possible
