**Product:** Printkote Ovenable

**Category:** Folio Papers - Boards

**Country of Origin:** United States of America

## Technical specifications:

|                     |                        |                        |
|---------------------|------------------------|------------------------|
| Basis Weight        | g/m <sup>2</sup> T-410 | 296 (331 incl coating) |
| Thickness           | microns T-411          | 406                    |
| Moisture            | % T-412                | 6.2                    |
| Internal Bond       | J/m <sup>2</sup> T-833 | 147                    |
| GE Brightness       | % T-452                | 86                     |
| Gloss (coated side) | % T-480                | 48                     |
| Stiffness Taber 15° | MD mNm T-489           | 16.7                   |
| Stiffness Taber 15° | CD mNm T-489           | 9.3                    |

These characteristics are average values supplied for guidance purposes

## Certificates

- 100% PEFC certified, ISO 9001 Quality Management system, FDA certified

## Print & Finish Suitability

|                                              |                                          |                                          |
|----------------------------------------------|------------------------------------------|------------------------------------------|
| <input checked="" type="radio"/> Creasing    | <input type="radio"/> Foiling            | <input type="radio"/> Laser              |
| <input checked="" type="radio"/> Die-Cutting | <input checked="" type="radio"/> Folding | <input checked="" type="radio"/> Scoring |
| <input type="radio"/> Digital                | <input type="radio"/> Inkjet             | <input type="radio"/> Varnishing         |
| <input type="radio"/> Embossing              | <input type="radio"/> Film Laminating    | <input type="radio"/> Screen Ruling:     |
| <input type="radio"/> Other:                 |                                          |                                          |

## Applications

|                                                                                              |                                   |                                             |
|----------------------------------------------------------------------------------------------|-----------------------------------|---------------------------------------------|
| <input type="radio"/> Annual Reports                                                         | <input type="radio"/> Direct Mail | <input type="radio"/> Outdoor Use           |
| <input type="radio"/> Brochures                                                              | <input type="radio"/> Folders     | <input checked="" type="radio"/> Packaging  |
| <input type="radio"/> Corporate Identity                                                     | <input type="radio"/> Invitations | <input type="radio"/> Presentation Material |
| <input checked="" type="radio"/> Other: Food packaging, snap freeze boxes, refrigerated food |                                   |                                             |
